PERSONAL STATEMENT

* I am deeply motivated by my passion for creation, alongside different forms of multimedia practices, which drive me to embrace challenge and to look forward to that feeling of discomfort that comes with growth. Determined to show how far I am willing to go to pursue my dreams with each opportunity serving as inspiration for me, to stay committed towards my aspirations. Driven by what I have yet to achieve, I aspire to work in the field of Production and Entertainment, never mistaking my passion and to never get tired doing what I love.

SKILLS

* Collaborated with multidisciplinary teams in productions for school concerts, events, and advertisements
* Proficient in Adobe Photoshop, Illustrator, & Lightroom
* Competent in Photography & an Intermediate in Videography

EXPERIENCE

* Started in 2020 as a Freelance Graphic designer, and I've been doing commissions on HUD & GUI for games, logos, thumbnails & posters for clients since
* Worked with production teams to execute same-day edits while moderately managing lighting configurations and props/setups.
* Started a monthly publication/zine for Hiraya Creatives Organization titled "Artists of the Month" and headlined the Editorial Work & Photography
